The conference was presented to raise awareness of the terrible addiction problem we face and how the church and people of faith can help address it.

- Stewardship: Rev. David Feltman, Pastor to the Presbytery, Presbytery of North Central Iowa

Rev. Feltman will offer five stories pertaining to Stewardship/Generosity to engage the group in conversation around this crucial theme. Consideration will also be given to Stewardship/Generosity in the time in which we live, described by a thoughtful person as a time when “God is deconstructing the church as we know it.” Rev. Feltman will bring resources to share and invites participants to offer resources which have worked well in their setting.
