Committee on Representation:

CRE Bill Crawford

RE Beverly Logsdon

8. Committee on Preparation for Ministry (CPM) - no report

9. Quad Presbyteries - no report

10. All-Iowa Task Force

The All-Iowa Task Force is made up of representatives of the Presbyteries of Prospect Hill, North Central Iowa, and Des Moines. Representing Prospect Hill has been Rev. Richard Francis, Lue Baker, Rebecca Brown, Rev. Rikki

Sorensen, and Bill Crawford. Rev. Randy Russom represented Prospect Hill until he moved to North Central and remains on the Task Force.

The Task Force has been meeting periodically to consider the future, and if two or the three Presbyteries can share staff. Currently, Prospect Hill has an administrative assistant that is shared with North Central. North Central, in addition, has a Pastor to the Pastors, who is retiring at the end of June, 2019.

Des Moines had an Interim Executive Presbyterian who is now out of the office on indefinite leave until his contract runs out in the relative near future.

There is no proposal for any of the three Presbyteries to join together, only to share staff. The ideal proposal would be to have three executives and two administrative assistants. The executives would be a Mission Coordinator, an Administration Executive, and a Pastor to the Presbyteries. Their descriptions are:

—Administration Executive: This person will be Head of Staff, serve as Stated Clerk to all three Presbyteries, resource Finance Committees, Nominating Committees, PJsCs, policies, and Presbytery meetings. Co-resource COMs, CPMs, Personnel.

—Pastor to Presbyteries: This person will provide support to pastors and congregations, and Pastor Nominating Committees. The focus is on health and vitality of congregations and leaders so will include peer cohort development and administration, educational events for congregational leaders, reference checks. Co-resource to COMs, CPMs, Personnel. Primary resource to Pastor Nominating Committees.

—Mission Executive: This person will resource mission engagement in the state, presbyteries and congregations. This includes taking the lead in mission initiatives in Iowa (such as the mental health initiative, rural issues, and environmental issues). Coordinating mission opportunities (especially for smaller congregations who may not have enough to do such a trip on their own). Co-resource to Personnel, Resource to Mission Committees of Presbyteries.

Two full time Administrators:

1) Administration: Supporting the work of committees, Stated Clerk office, and being point of contact for calls from congregations. Support for Administration Executive. 2) And Program and Communications: This position will be ½ time program support (support for events and programs from the work of the Pastor to presbyteries and Mission Executive plus support for them). The other half would be spent on communications that connect and communicate with the Iowa Presbyterians (websites, minute for mission pieces, newsletters, etc.). There is potential for this person to also supervise college interns majoring in communications who are looking for internships.

Discussions are continuing about what is possible and what is feasible to recommend to the Presbyteries. Concerns have been expressed about the financial implications of the proposal. Should it start as a shared General Presbyterian position being shared by Prospect Hill and North Central? Where

would Des Moines fit in this proposal in the future? Many questions remain, with a spirit of looking at what is best in the future for the Presbyteries.

11. Administrative Commission for First Church, Cleghorn

The Cleghorn Presbyterian church is slowly working their way toward stability. Their Session appreciates the guidance of moderator Rev. Dr. Eric Wright. They have enjoyed a wide variety of pulpit supplies who always have something heartfelt to share with the group. Their attendance remains stable while their financial situation is improving. They support each other with prayers and love. They remain a viable part of their community.

Marne Barker,
AC Moderator

Dave Ullom presented the report from the Presbytery Leader Task Group. M/S to authorize the Task Group to work jointly with the search committee of the Presbytery of North Central Iowa (NCI) to share a full-time position between the two Presbyteries. The current expectation is that the cost of the position would be shared with 60% contributed by NCI and 40% by Prospect Hill. An amendment was proposed to change the wording to “explore sharing a full-time position.” M/S/C to move the previous question. The amendment was approved. The motion as amended was approved.

Minner Serovy gave a presentation on the work of the Presbyterian Foundation.

The Mission Spotlight for this meeting focused on the Lakeshore Center. Harry Gabe and Cassie Gabe, Associate Directors, highlighted the ongoing work of the Center, including the capital campaign to add a deck to the Lakeshore Lodge and to pave the access road. They also shared that Lakeshore Center will serve as the registrar for youth in both NCI and PPH for the Presbyterian Church (U.S.A.) Youth Triennium, which will be held at Purdue University in July 2019. Beth Ehlers, Executive Director, spoke about the mission of the Lakeshore Center and its impact on those who attend activities here. She highlighted the fact that pastors can stay at the Center without cost if there is space available.

The Presbytery adjourned for lunch at 11:50 a.m. Beth Ehlers led the Presbytery in prayer for the meal.

The Presbytery reconvened following lunch at 1:00 p.m. Joys and concerns were shared. Donna Gray led the Presbytery in prayer.

Four breakout sessions were held from 1:15 to 2:15:

- Is Your Stewardship Campaign Crazy? - Minner Serovy, Presbyterian Foundation
- Faith and Addiction: Rev. Jan Christensen
- Stewardship: Rev David Feltman

- Monte and Liz Crichton, First Presbyterian Church, Vail: justice issues in the Iowa Department of Human Services

Following the breakout sessions Michael Gewecke moved that the Presbytery reconsider the vote authorizing the General Presbyter Search Task Group to work jointly with the search committee of the Presbytery of North Central Iowa. The motion to reconsider received a second. The motion fulfilled the requirements of a Motion to Reconsider as defined in Roberts Rules of Order section 37. The motion passed. It was then moved to consider the original motion prior to its being amended: “to authorize the Task Group to work jointly with the search committee of the Presbytery of North Central Iowa (NCI) to share a full-time position between the two Presbyteries.” The motion received a second. Following discussion, the motion passed.

Committee Reports began at 2:33 pm.

9. Wheatland (Breda), Lakeside (Storm Lake), First (Glidden), Elliott Creek (Branson), Community (Lawton), Union (Lake City), First (Cleghorn), and First (South Sioux City) are congregations in transition between pastors. The COM asks for prayers for these congregations.

Items for Presbytery Action:

1. COM received a formal request from Shared Ministries (Rolfe) dated May 21, 2018 to close their congregation. As this is a joint witness congregation with the United Methodists who own the property, under G-5.05, the COM and Moderator Team decided that we would cooperate under the UMC polity to proceed. That process is now at a conclusion. The District Superintendent (UMC) approved in late August and the congregation voted to dissolve the congregation as of November 1, 2018.

All records and member rosters will be remitted to the Presbytery for archival storage with Presbyterian Historical Society. Rolfe Church will provide costs for transmission and storage. Future inquiries as to church records by parties will be referred to the Presbytery of Prospect Hill.

All other proceeds are designated for distribution to local ministries and some work within the United Methodist Iowa Conference.

The church building is sold to Mission Evangelica Mont Sion, a local Hispanic Ministry from Sioux City, for purposes of planting a congregation in Rolfe.

Memberships are mostly transferred with a few given until Dec 1, 2018 to contact the Shared Ministries Board at Rolfe for transfer, all of which will be reported to the POPH Stated Clerk.

Presbytery under the authority of G-3.0303 and G-5.05 is asked to confirm the dissolution of the congregation Shared Ministries of Rolfe as of November 1, 2018. On motion from the Committee, the Presbytery voted to confirm the dissolution. Following the vote, Tim Harmon led the Presbytery in a prayer of thanksgiving for the ministry of the congregation and of blessing on the remaining members and the ministry of the congregation that is beginning a ministry in Rolfe.

2. On October 7, 2018 by a unanimous vote, the Congregation of First (Alta) voted to call Rev. Denise Parrello (ELCA) as the installed pastor. She is currently serving in a shared ministry arraignment with the Trinity ELCA in Alta and her terms will continue as agreed upon under that contract and approved by COM. First (Alta) contributes \$1,800 a month towards salary and benefits to Trinity ELCA who directly pays Rev. Parrello. Rev. Parrello is eligible to be the installed pastor under the Formula of Agreement (G-5.0202) Rev. Parrello will be a temporary member of Presbytery, have voice and vote, and can serve on its committees for the duration of her time as installed pastor. (G-2.0506)

The COM asks permission to form an Administrative Commission for the purpose of conducting an installation service at Alta. On motion from the Committee, the call was approved and the Administrative Commission was authorized.
